OLD FITZGERALD was a lady's man.
HE got hit so he took it on the lam.
HE went out west where the sun shines bright.
HE got an apartment he thought was alright.
HE got some whiskey and he got some sin.
HE went back to his apartment and started to bring.
He thought of girl friends way back east
HE thought out here he should have two at least.
So he went to a night club with his pocket full of dough.
OUT where they sing it sweet and low.
He picked up two babies, one was young one was old.
THE old one was hot, the young one was cold.
They went to his apartment put their hats on a rack.
The old one sang the blues the young one, scratched his back.
The old one called him money
The young called him pal
He called the young one privolous she.

The men sat and listened, they had put a box away back in under Fitzgeral's rug.
They also had a peep hole in the wall.
They also had another in the hall.

The young girl mixed the drinks the old ones sang.
Old Fitz was in heaven when the doorbell rang.
He went to the door ran stepped out in the hall.
He walked right into the 5 men Tommy's and all.

The moral of this in this story is don't ever go
Where the sun shines bright the music slow.
Stay out of the west when you are out.
Or the 5 men will get you if you don't watch out.

Mr
I want to sell the farm — it is a good time to buy for. I hear that it is fishing after little Feby. We are going back in the country.

I sincerely hope that your son will soon be released to you and that you will yet get that omnibus bond of 20,000 at a 6 per cent. I think and hope you both of you will receive your release. I am very glad to have you safe and sound, and I sincerely hope that your health may improve and that you may never be in an hospital again.

My heart has been terribly weighed down during the past few weeks. My husband was absent due to illness and I was the only one left to manage the farm alone.

Best wishes,

Dear Sir,

On Jan 24 I was working for the God of Heaven and earth, and the Lord revealed to me the vision about of your son, that night I dreamed and should I saw in my dream.

I was in a strange work one day I left immediately to a different side of the city. I came back and it was already evening at night and found it strange. I couldn't understand why I came back and while looking at the city I estimated for where there was been 150 at the church in 1st week. I went there. Father was there. I went inside the church. I spread and prayed there. At the moment a ditch opened with circulating water. A ditch opened with circulating water. It was a straight ditch at the moment the thing started. Then I went inside the church and there were 150 people there. (Lect 45) and I knew.

Sincerely yours,

not.

Have the dough ready and where you can get it within thirty  
minutes.

You will be instructed how to deliver it.

The money must not be hot as it will be examined before

If Dhill is so hot to meet us you can send him out with  
the dough.

Well try to be ready for any trickery if attempted.

This is positively our LAST attempt. DON'T duck it.

Mr. Chas. McGee

I have named you as payoff man. You are responsible for my  
safety. I am responsible for the full amount of the money.
Dear Sir:

The greatest shock of my life came to me when the desperadoes that had raped your son communicated with me, asking me to write to you and requesting that you make these following arrangements.

Owing to my integrity, I would have tracked down the supposed notorious killer; but, as I have a son of my own, I would regret...
pathetically if I were to turn
over the kidnappers to the police
but as I sincerely know that
the kidnappers mean business,
I would advise you as a got between
to carry out the following arrange-
ments.

One of the kidnappers said that
you make two packages of the
said ransom and send it to the
Cottet Hotel in New York City in
care of Mr. Rogers McIvory that
will call for it, and on receipt
by of the money and safety of your
son Edward Byrner will be
released.

They said that your son sig notes
could not be and the letter beans
Edward is very ill.
The kidnappers specified that if the ransom is not sent promptly your son will be in great danger.

Very truly yours,

James M. Power

Kidnappers Reported to Have Ordered Staged Hijacking Episode
Demanding That U.S. Agents Cease Efforts to Recover Money

MINNEAPOLIS, Jan. 30 -

The kidnappers of the 7-year-old son of a Minneapolis businessman issued an ultimatum today, demanding that U.S. agents cease efforts to recover the boy.

The boy's father, Mr. A. Johnson, was ordered to pay $200,000 to the kidnappers or face unspecified consequences.

The kidnappers, who are believed to be members of a radical political group, have previously demanded the release of political prisoners.

The investigation into the case is ongoing, and law enforcement officials are exploring several leads.

Dear Doctor,

I am enclosing here with two letters which please deliver for me at once. Deliver them both to my father at the house 355 West 98 St. or at the office of your agency if he is not there. It is very important that they be delivered right away as it means I don’t know how to say to you or to anyone else that you have been here with me. I am however not to say anything to anyone else that you have been and that you tell them not to deliver the letters. The facts I am writing to you in because I know I must not to pay anything.

I have the money to do it right. I tried to get money from my sister how to tell her we had a car breakdown and up, etc. all kinds of things but you know she's not thinking just about how they acted but I got some help from anybody besides Hell. We'll go back the house writing to my address tell I write you which will as soon as possible as soon as I get planted some place. We'll and it goes just as soon as I can. I just wish all the trouble from one side then the other but relation are 2d worse than all just kicked me out this.

Well, it's just the same as other relatives, they are all the same well I've made up my mind to do them the same as I get in my feet which won't be long if I can get it. Well, you'll have in a few days and I'll not pay what I can. We are also going to sell the things I have in Missouri. The wife sold the few things we had at Rine's place to get money to get on as she couldn't get enough from here. If I tell you it must have been tough for her with the kids. And I sent away I must it too thin here. Well, if you can rely on me I'll do all I can as I always have done we just got Hell from all sides but it won't go on forever.

Yours,

You determine within your own mind how alive or not to load a camera with a strip of 8mm film to take two or three pictures of something you consider to be the ideal scene through the golden mean. Then instruct the camera to take two or three pictures of your son. Then return the camera to you that you may have the film developed at your own expense. If your own picture shows any merit I
Dear Doctor,

I am enclosing herewith two letters which please deliver for me at once, deliver them both to my father at 4th house, 55 West 7th St., or at the office where you may find it. It is very important that they be delivered right away and not remain in your hands. Because tomorrow I must say to anyone else that you have brought these letters to deliver. In any case, I am writing to you in because I knew you could be trusted not to say anything.
